

局部匹配的难点

```
graph LR; A[局部匹配的难点] --> B[遮挡区域]; A --> C[低纹理区域]; A --> D[深度不连续区域];
```

A diagram illustrating the difficulties of local matching. A central box on the left, labeled '局部匹配的难点' (Difficulties of Local Matching), has three arrows pointing to three boxes on the right. The top box is labeled '遮挡区域' (Occluded Area), the middle box is labeled '低纹理区域' (Low Texture Area), and the bottom box is labeled '深度不连续区域' (Depth Discontinuity Area).
